MERGEWORKS®

privacy screens

Provide protection and comply with social distancing standards with MergeWork's Enclave Privacy Plus wing panels. Privacy Plus panels not only cover the length of your countertop or desk, they extend 8 inches past the surface for extra barrier protection.

MergeWorks privacy plus divider wing panels can be easily added to existing furniture using a variety of removable and permanent mounting options. Quick installation and manufactured in several materials that can be cleaned and disinfected, Privacy Plus Wings are an effective solution to safeguard everyone in your business.

- Panels extend 8 inches past desk or countertop surfaces for added barrier protection
- Available in several widths and heights for maximum coverage
- Available in materials that can be cleaned and disinfected including Acrylic, Acoustic EchoScape and Fabric
- EchoScape 3/4" (18mm), our 0.9 NRC rated acoustic solutions, effectively controls noise disruptions by absorbing sound
- Removable and permanent mounting options available
- Made in the USA
- Customization available – special materials, sizes, shapes and mounting options

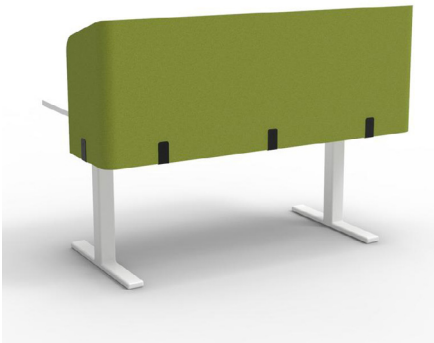

Create a small, temporary office for focused work on your kitchen table with BuzziTripl Home Low or add to any existing desks and workstations in your office.

Just choose the level of privacy by turning the side panels, joined together with Velcro strips. The BuzziTripl Home High, on the other hand, hides visual clutter during video calls, is a great room divider and even works as a playroom for the kids. Both are very light, so you can easily pick them up and move them around the house.

MERGEWORKS®

Completely customizable, MergeWork's contemporary Urban Wall room dividers are designed for versatility and functionality. Create meeting rooms, collaboration huddle spaces, break rooms, customer or patient waiting rooms, and private work areas without incurring costly construction. Build your Urban Wall by designing each panel, then connect them together to construct the workspace that works for you. Add a hinge kit, wall mount, fixed feet or mobile casters and the configuration options are limitless.

- Framework is constructed using lightweight aluminum extrusion, anodized or powder coated for an aesthetic and durable finish
- Ships fully assembled
- Design your Urban Wall™ using five core materials, each in a wide array of rich colors
- Our acoustic core material, EchoScape™ 3/8" (9mm) effectively controls noise disruptions by absorbing sound and is NRC rated at 0.85
- Room divider panels can be hinged together to create 2, 3 or 4-way configurations
- Made in the USA

protective screens

protective screens

The Muraflex Protective Screens are freestanding and require no installation.

Made of plexiglass, the screens are lightweight and easily moveable. **There are two standard models: a countertop and a floor model.**

The countertop model has a transactional slot at the bottom and the floor model comes with an optional transactional slot.

With speedy lead times and no need for installation, you can quickly benefit from our protective screens to safely interact with others.

floor decals

takeform

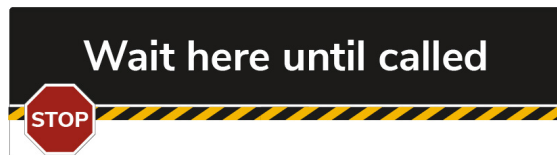

Help people practice healthy social distancing with strategically-placed floor decals. Whether it's on carpet or hard flooring, you'll demonstrate a commitment to staff, customers, and your community while keeping them safe. It's an easy way to protect everyone that moves through your space.

Floor decals are easy to apply to just about any flooring surface, including:

- Carpet
- Tile
- Metal
- Painted surfaces
- Wood floors
- PVC floors
- Untreated stone
- Smooth concrete
- Asphalt
- Brick
- Ceramic tile

notice holders

make a difference.

Cover cough.

- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands.

Wash hands.

- Wash your hands often with soap and water for at least 20 seconds.
- If soap and water are not readily available, use hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

Keep distance.

- Avoid contact with people who have been in contact with someone who has been ill.
- Avoid being in close contact with people who have been ill.

takeform

Pathogens love paper. And unfortunately, as facilities adapt to changing demands paper signs may become all too common communication tools. TakeForm's notice holders offer a simple yet effective means of containing temporary paper signs and protect them and the people in your space from pathogens.
